Angel Series - Medicine Cart

"ONYX Smart COWs (Computer on Wheels) – Angel Series". This all-in-one configuration consisting of a computer, medicine cart, and smart battery intends to set up a higher standard to assist nurses in their daily work environment with more efficient analysis, better care and better support.

All-in-One PC

Battery LED Indicator

Keyboard Drawer

PC Pivot Mount

Touch-free Waste Container

Point of Care Everywhere

Efficient Analysis:

The Angel Series provides rich USB interfaces for KB, mouse, printer, barcode, sensor and card readers. Nurses can easily check patient's ID, drug labels, and closet tags to reduce human error and keep EMR/EHR records simultaneously.

Ideal Performance:

The Angel Series is designed with Intel Core 2 Duo Technology, IP65 protection (easy to clean), long life time touch screen, and wireless a/b/g/n capability. The EMR record or PACS picture can be seamlessly processed and updated to the backend server. Nurses can also consult with doctors or on-duty chief nurses for any reason if needed.

Better Care:

The Angel Series is equipped with 8 hours of safe, non-explosive battery life, large easy to move wheels, a two-face closet, 2W speakers, and a strong metal frame chassis which provide nurses a friendly, reliable, and diligent daily operation system.

Applications

➤ Bedside and Ward Application
➤ Operating Theaters
➤ ICU
➤ Clinical, Dental, and Healthcare Environments

Features

All-in-One IP65 PC Architecture

- ➤ 17"/19"medical grade LCD screen
- ➤ 35 million time resistive touch screen
- ➤ Intel CoreDue/Core2 Duo CPU process
- ➤ Fanless and Zero db Noise
- ➤ 2 x 2W speakers

Rich Communication Interface

- ➤ 6 USB2.0 ports
- ➤ 1 Giga LAN
- ➤ 1 RS232 port
- ➤ Audio ports
- ➤ Wireless a/b/g/n option

Smart Battery Management

- ➤ 8 hours operation
- ➤ LED indicator
- ➤ Extra AC power source
- ➤ LiFe non-explosive battery

Strong Trolley Framework

- ➤ Aluminum alloy chassis
- ➤ Multi-functionl drawers with modular inner section space
- ➤ Ergonomic handle and basket arrangement
- ➤ Compact size with dimension of 683 mm x 615 mm x 1353mm
- ➤ Central lock system
- ➤ Easy operation, Single load-bearing of 75kg wheels

Comprehensive Accessory Backup

- ➤ Barcode scanner (Holder)
- ➤ Infection control peripherals
- ➤ Storage basket
- ➤ IV Pole
- ➤ Drawer divider
- ➤ Touch-free waste container
- ➤ Storage basket
- ➤ Wheels
